If you cannot serve at your scheduled date and time, **please secure your own substitute.** If there is a last minute personal emergency, please call 980-1313 and leave a message that a sub will need to be secured for you.

Autumn Leaves has asked that we sign in each time we minister at their facility.

Please remember that pyxes should be purified after each Visitation.

If you use one of the larger pyxes from the Visitation cupboard in the Sacristy, it must be returned the same day it is used.
