

Make an Inspired Choice

In giving to others you give to yourself. First and most important, as you reach out to help others, you grow spiritually. As well, when focusing on the needs of others, you tend to lose sight of your own problems. You grow to know yourself better as you discover and develop the skills needed to help others through life's transitions. And the new and meaningful relationships you will make will strengthen your own support network. **Ask the Lord for the grace you need to make the right ministry choices.**

Be the Difference That Makes a Difference

Use your God-given talents to make a difference in the lives of others. There are many ways to share your time and talent at Our Lady of Light. We have great opportunities for volunteers from all walks of life and all age groups. Most of our ministries require no special expertise — just a big heart, willing hands, and a few hours each week or each month.

Extraordinary things happen when ordinary people do a little extra.
